UNIT 23 SKILLS APPLICATION

NAME:
DIRECTIONS: Write a brief story (2-3 paragraphs) on an interesting topic of your choosing. Your story should include a minimum of 6 subordinate clauses and one of each of the following: appositive phrase, infinitive phrase, participial phrase, and noun clause. Then, on a separate sheet of paper, do the following things:
1.) Copy the entire subordinate clause.
2.) On the line below it, write either ADJECTIVE CLAUSE or ADVERB CLAUSE, whichever it is. 3.) Circle the relative pronoun or the subordinating conjunction.
4.) Write the word in the main clause that the subordinate clause modifies. Try to number your clauses in the order in which they come in the story.
5.) Copy the appositive phrases, infinitive phrases, participial phrases, and noun clauses.
6.) Tell what each item is, and answer: What is the appositive restating? What job is each infinitive doing? What is each participial phrase modifying?
